Dear Parents/Caregivers,

RE: Partnership with The School Locker

Brisbane State High School P & C Association and The School Locker have tailored an online portal to assist families with purchasing for the BYOD program, as well as other school related items that are not available from our school uniform shop. Your purchases will also assist the P & C with our fundraising goals to support resources for all students at State High. Each time a BSHS family purchase's from The School Locker using the Student Advantage Card linked to that family, the P & C will receive a commission from the sale to be donated back to the school to assist with providing more resources for all students. This is a great opportunity to get discounted educational pricing for your student and also assist your school's P & C with fundraising for the school.

The School Locker's student pricing is only available using a Student Advantage Card- see attached flyer. The card can be issued to you either by visiting your nearest The School Locker Store, see details below or by contacting one of The School Locker's 'Live Chat' operators on the link below. Your Student Advantage Card will also give you access to monthly specials and assists with Fundraising for your School.

All devices on the portal meet the minimum specifications set by Brisbane State High School. Please click the link below to be taken directly to the portal:
